Freshmen Class

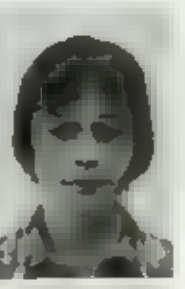

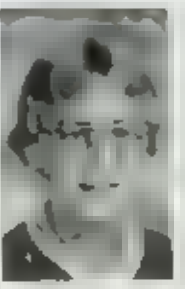

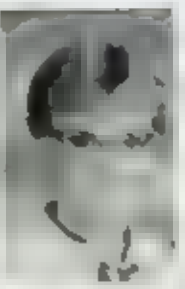

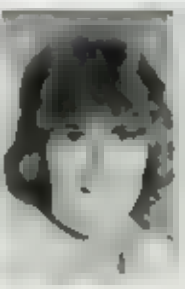

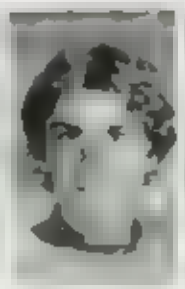

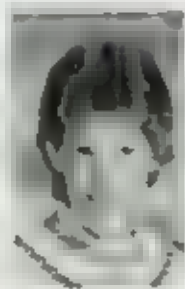

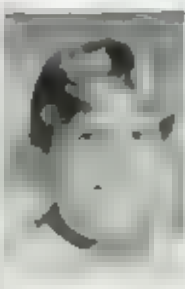

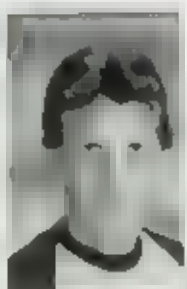

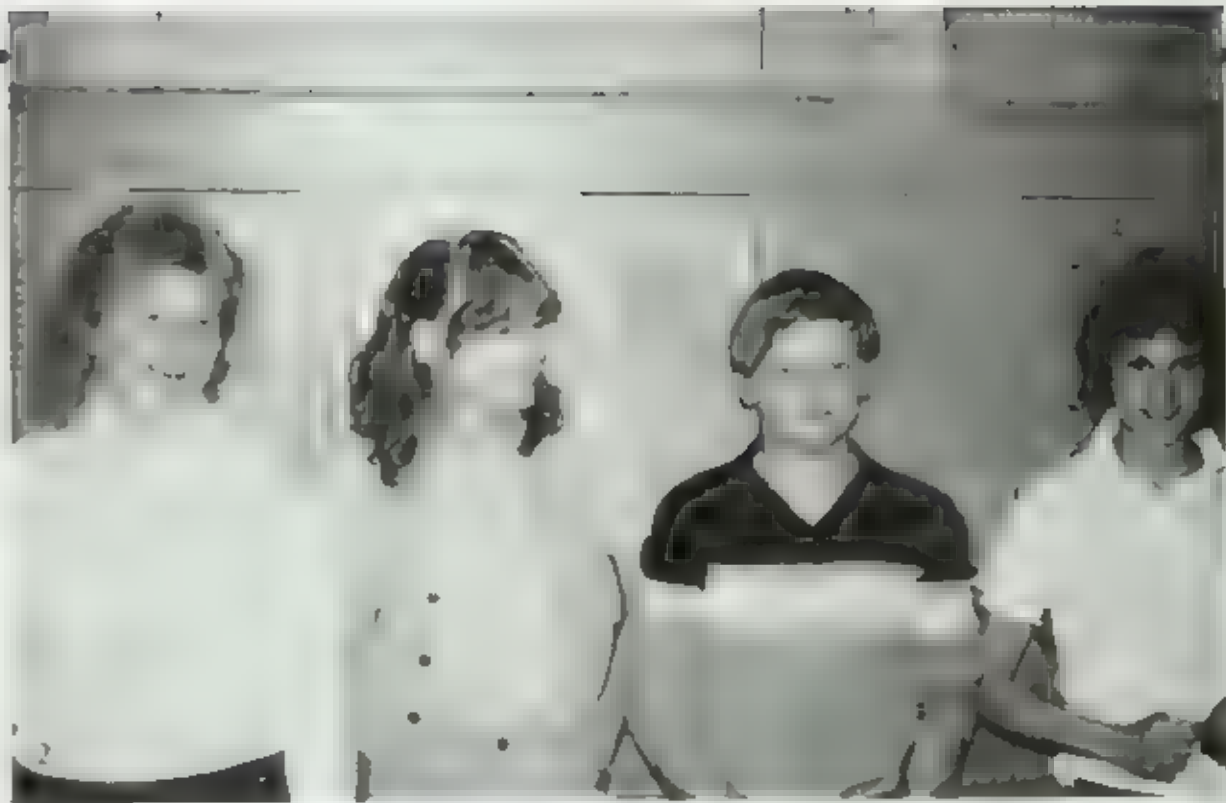

Our first year of high school was a great opportunity to meet new people from the other schools and also the upper classmen.

The first few weeks were the hardest. Trying to find the right classes on time was a real challenge. Walking around the halls in a rectangle before school was also something that took a little getting used to.

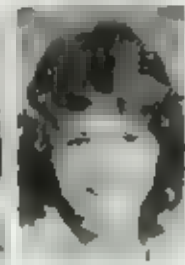

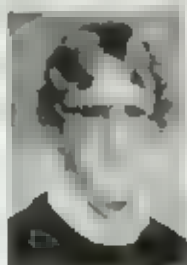

Soon, many of us became interested in the different activities high school has to offer.

- 1 Doug Miller and Jackie Keup, like many students, take typing their freshmen year
- 2 Lynette Denicoken prefers to carry her own music
- 3 Laura Katzman and other freshmen in Social Studies

In the fall we elected four officers to lead us throughout our freshmen year. We chose Brett Stousland as president, Wesley Elford as vice-president, Amy Maguire as secretary, and Meri Kay Mann as treasurer

1. Mark Ritter, Joe Wanie, and other freshmen in Health
2. Vicki Woock and friends
3. Mr. Colassacco's IPS class
4. Chris Finke and Mary Ulrich in typing class
5. A Social Studies 9 class
6. Glenn Leinen in IPS
7. Bruce Coats and the band members make and sell pizzas during the year

Homecoming was a new experience for us. We had a lot of fun, even though we took last place in the activities. We also learned a lot about class unity and cooperation.

- 1 Freshmen soon learn the meaning of SSR
- 2 Pay attention to the teacher, not the camera
- 3 Matt Kollath follows the safety glasses rule
- 4 Freshmen between classes
- 5 Valerie Ohlemiller practices her typing
- 6 What's so funny, Wes?

As we started our sophomore year, we realized we were no longer the "little freshmen" we used to be. We liked not being the youngest kids in school anymore and we anxiously looked ahead to the coming year. We elected Jeff Learman as our president, Lisa Krueger as our vice president, and Cathy Cundy as our treasurer-secretary.

After the elections, we got busy on Homecoming. We worked hard together and finished a strong second in the festivities.

1. Julie Robertson is ready for the next class
2. Mr. Meyer explains the rules of the game
3. Show them that smile, Jean Pegelow
4. Golf isn't always as easy as it looks, Greg Williams!

One of the biggest events of our sophomore year was ordering our class rings. Although selecting them was hard, waiting for them to be delivered was even harder.

During the year, many of us experienced being on a JV or even a Varsity team for sports and cheerleading. We also became involved in the musical, Student Council, and the all-school play, as well as various sports.

- 1 Debbie Schumde and friends enjoy their lunch break
- 2 Eric Peterson gets caught off guard
- 3 What did you learn, Sara?
- 4 Missy and Pam prove that not only boys can work on small engines
- 5 Kris Hereid attentively guards the halls

Sophomores

One of the biggest thrills of being a sophomore was turning sixteen and learning to drive. We eagerly tackled driver's ed. and studied hard to pass the written test, impatiently waiting to conquer behind-the-wheel.

All of these events and activities helped us to realize how fast the years were going. Already we were beginning to look ahead to our next two years of high school. We began raising and saving money as we knew the time for our own prom would soon be upon us.

Bugler Staff

The Bugler Staff worked many hours in order to produce the 1984 yearbook. The staff members, with the help of Mr. Ritter, gained first-hand knowledge of the work that goes in to making the finished product. Meeting deadlines, drawing layouts, and thinking of ideas were an essential part of the job.

The staff also attended workshops in West Bend and in Whitewater where they learned new techniques and ideas

The Horicon High School Band, under the direction of Mr. Hugh Cain, again had a very active year. Many parades and shows were on the agenda for the band, including a successful competition in Whitewater resulting in first place.

At home, the band entertained many during their half-time shows at football games. Performances were given at the Homecoming pep rally, as well as the annual Christmas concert.

Fundraising was also a part of the band's activities. Band members sold "spirit" seat cushions, as well as making and selling pizzas.

The Band Council played a big role in finding ideas for fundraisers and other activities. The Council also handled publicity for concerts and other upcoming events. Council members include

Vocal Music

Department

Horicon High School has three vocal groups this year. The Girl's Glee, Select Choir, and Madrigal groups each performed in both the Valentine and Christmas concerts.

Members of the groups also participated in events outside of school, including Christmas caroling and Solo/Ensemble.

The Madrigals performed at several events, such as churches, banquets, meetings, and even a Medieval dinner. Madrigal members also participated in Honors Chorus, held annually for top music students in the Flyway Conference.

All three groups are under the direction of Mrs. Krahn.

Baseball

The 6-4 record was almost good enough to win the Flyway Conference. Laconia and Oakfield tied for the title with 7-3 records. Many of the games we played were very close and with more hitting we could have won some of those ball games. We did not have as many seniors as in the past giving us the leadership at the plate.

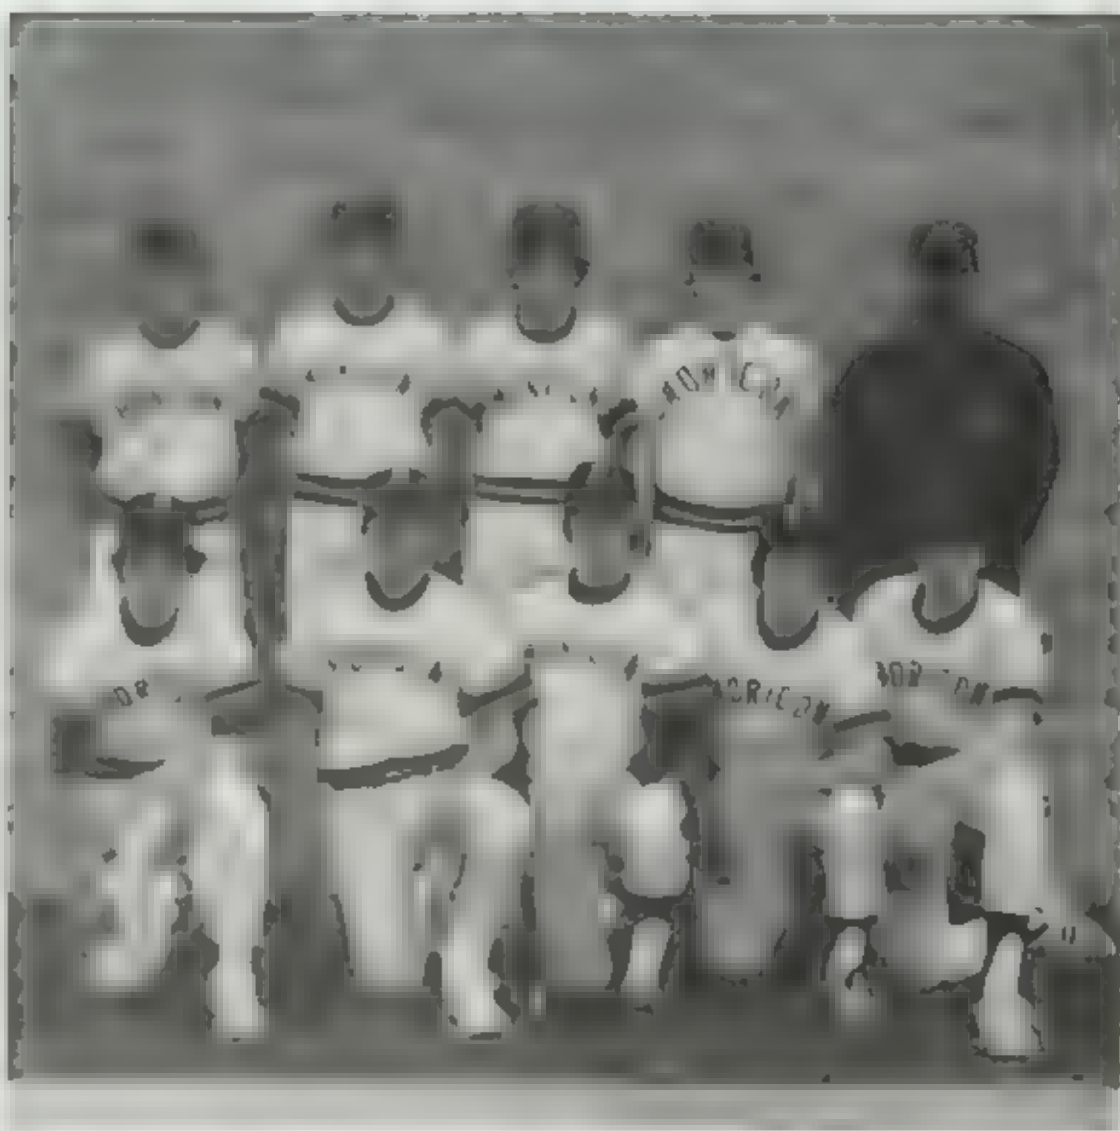

We had a very good second half of the 1983 season because of the players who were sophomores and freshmen. I hope these players will continue their efforts the next two to three years to provide leadership to our incoming freshmen players.

The boys track team finished the season much improved since the start. They did well at Marshall, Oregon, and Waterloo and finished sixth in Conference. One athlete went to state, that was Mike Baker, who competed in the 3200M run. The season was long, but a lot of participation made it all worth while.

Cathy Ramirez (1) came to HHS this year from Durango, Mexico. As a Rotary Exchange student, she was able to share a bit of Mexico with Horicon as well as learn about everyday life in the U.S. Cathy lived with three host families, including the Leonards, Petersons, and Liens.

Two Horicon students also took part in the Rotary program and traveled to new countries and schools. Tammy Scola (2) left in March for a year in Tuluá, Colombia and Jeanette Frei (3) spent her junior year in Santa Cruz, Bolivia. Both gained a taste of travel and culture

Homecoming '83-

Homecoming '83 took on many new changes and aspects. But the spirit and enthusiasm for the week were still as strong as ever

The Student Council again sponsored Homecoming. Many hours were put in to preparing and organizing the activities of this busy week

The week was kicked off energetically on Monday, October 10, with punk day. The fun continued throughout the week with Hawaii day, T-shirt and tie day, clash day, and orange and black day

As the week progressed, each class pulled together as the competition for participation and the Spirit Stick grew stronger. Although the sophomores kept the contest close, the seniors came out on top each day with the biggest percentage of participation.

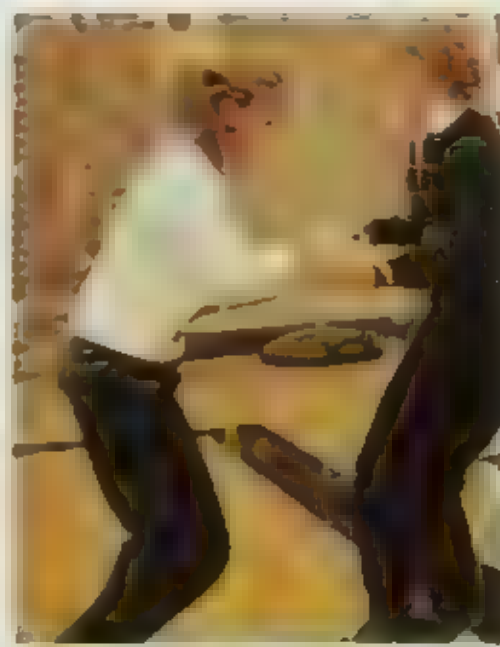

Students channeled their talent and energy into getting the town and school into the Homecoming spirit. The Student Council and cheerleaders painted the windows of many stores downtown and also decorated the school's front hall

Each class competed in decorating their own windows and hallways at school, with the seniors taking first place in the hall decorations and the juniors winning the window decorating

Following a great performance by the band, cheerleaders, and Student Council, the classes competed in games. Students tried their luck at volleyball games, the plunger race, cup blowing, and the orange pass

Friday night was the biggest night of the week. Even though the Marshmen found themselves on the losing side of the game, spirits were still running high. After an awesome half-time show by the HHS band, colorguard, and cheerleaders, the King and Queen were introduced with their court. It was also announced that the seniors had won the Spirit Stick, with the sophomores taking second place.

After the game students, parents and alumni were invited to attend the dance. Music was provided by "Jukebox", and since the dance was after the game many more parents and alumni felt welcome to enjoy the music and dancing. This made for a larger turnout than those of the past few years.

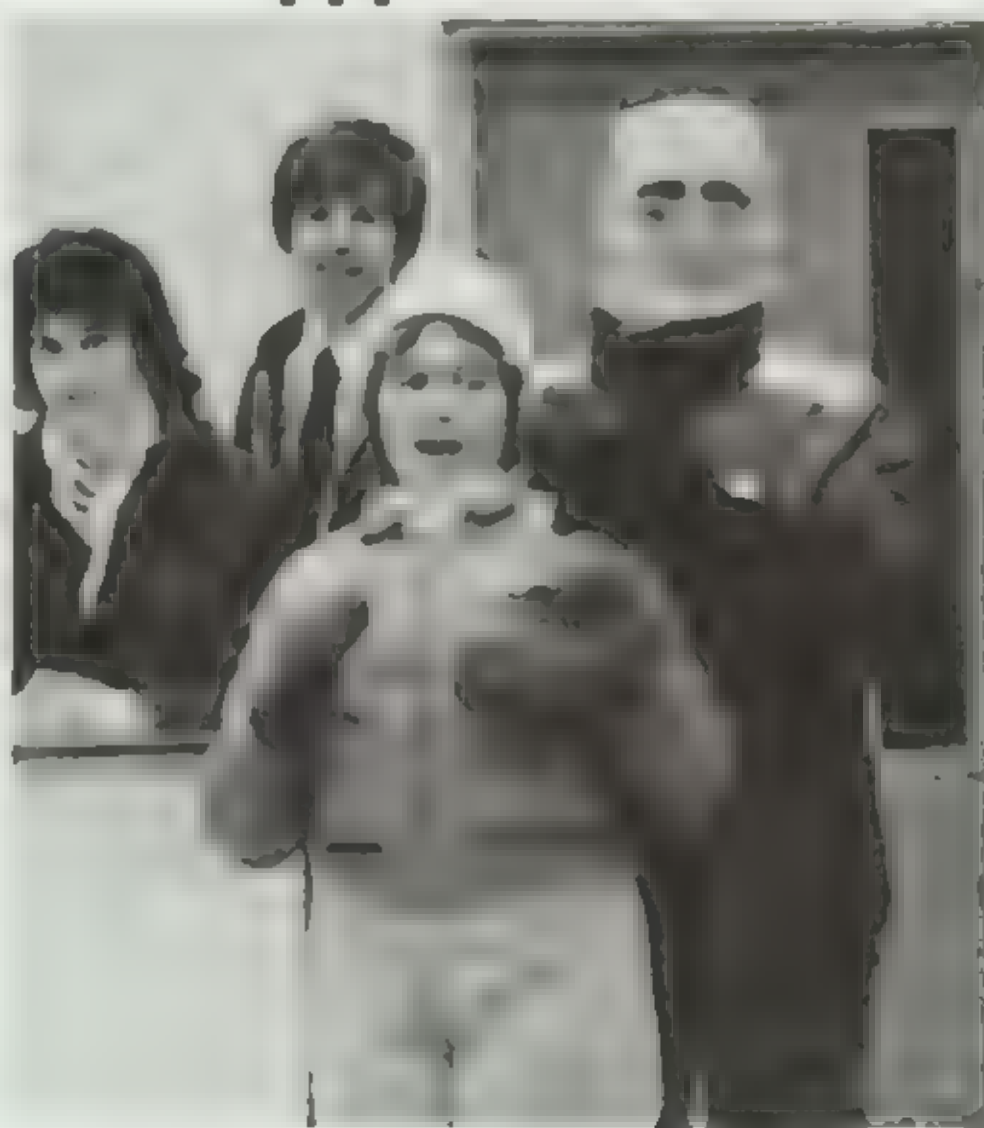

Homecoming Court included Queen Lisa Koepsell and King Ted Frank in the front, Greg Matter and Sandy Schwandt, Lisa Lien and Steve Cundy in the middle. Kris Kaepernick and Carl Miskimen, Lisa Krueger and Steve Triggs, Laura Katzman and Chad Brendemuehl, Krista Calhoun and Jerry Traugher, Sherri Kruel and Norman Dessart, Amy Spittel and Wade Gritt, DeEtta Piper and Kurt Krueger, along the back.

Can six college girls manage a formerly abandoned hotel for a week? The answer came on the nights of March 30, 31 and April 1 as HHS students presented the 1984 all-school play

E. Cope's "The Invisible Man" brought to life the experiences of these girls and the mysterious events that accompanied their college assignment. The play was directed by Miss Kessenich and student assistant Wade Gritt. The cast included:
 Hamilton - Wade Gritt
 Linda - Kari Midtbo
 Gertrude - Linda Wagener
 Karen - Diana Fry
 Susie - Karen Peterson
 Paige - Ellen Apple
 Roberta - Sue Zirbel
 Jack Griffin - Brian Golesh
 Fuller Beasley - Don Braun
 Jane Beasley - Kim Walker
 Deputy Sheriff - Chad Brendemuehl

Have you ever had an Oklahoma hello? The curtain was raised on November 1st and the cast of Oklahoma! gave us a warm and friendly hello to the HHS.

The cast of Oklahoma! brought to life the musical of Sam McCann and Greg Gagne. The cast included:

Anna (Kari Midboe), Will Parker (Cari Miskman), and Alf Hakim (Mark Bell).

But Don Brown helped to combine the music and story of Oklahoma! and make the HHS 1983 musical a success.

Under the direction of Mr. Ritter and Mr. Krahn, the cast delivered such favorites as "One Wonderful Morning," "Milk and Honey," and "The Farmer and the Cowman." Choreography by Mrs. Phillips made the production another important part of Oklahoma!

The cast is well as stage sound and lighting. Oklahoma! hello to everyone!

The doors of HHS opened for us for the first time in the fall of 1980. With the opening of these doors came many new and different opportunities. We chose Mike Bischoff as our President, Linda Wagener as Vice President, Lisa Lien as Secretary, and Wade Gritt as Treasurer.

We soon became involved in sports, band, and Homecoming activities. Some of us tried out for the musical "Carousel," and the all school play "Pride and Prejudice."

Winterfest was a new thing for us as freshmen. Robyne Rutchart and Amy Firehammer were our choices for court.

As our freshmen year drew to a close, we saw our class becoming closer and more enthusiastic.

ROGER DAVID
HARTWIG JR.

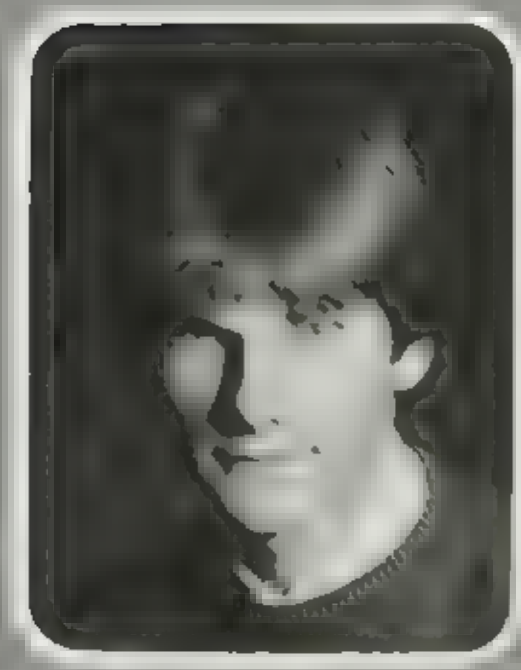

With our sophomore year came decisions and even more opportunities. Class President, Class Vice President Russ Ebert, Secretary Jerry Traugbier, and Treasurer JoAnn Ewert helped us in these decisions including the selection and ordering of our class rings.

Many of us participated in the musical "Anything Goes" and the school play "Jesus Who's Coming to Earth Tonight". We eagerly took on sports and as sophomores we had the experience playing on a V team. Throughout the year we waited impatiently to receive our driver's licenses.

Darrah Sampawick and JoAnn Ewert were our choices for Winterfest Queen and Darrah was also voted to represent our class as Winterfest Queen.

As juniors, we saw more doors at HHS open to us as upper-classmen. Under the leadership of President Wade Gritt, Vice-President Darra Samplawski, Secretary Lisa Koepsell, and Treasurer JoAnn Ewert, we met the challenge of the other classes in the Homecoming activities and rallied to win the Spirit Stick.

Our next project was to turn our gym into an "Island Paradise" for our Junior Prom. Sherrin Kruel and Norman Dessart reigned over our Prom as King and Queen, as couples danced to the theme song, "Faithfully." The time put in by Prom Chairman Sue Zirbel and many hard workers in our class helped to make our Prom a success.

* Special

January 30 through February 3 was Drug Awareness Week at Horicon High. The student body was informed about drugs, alcohol, and chemical dependency. Students were motivated to participate by buttons that bore the slogan, "Get High On Life, Not Drugs."

February 23 was a special day in Horicon. Governor Anthony Earl was the guest of honor at John Deere's "Something Special from Wisconsin". The day was proclaimed "Day of the Governor", and Governor Earl spoke to the citizens and then christened a caravan of thirty trucks loaded with one days shipment of John Deere products

The 1983-84 Bugler Staff say a sincere "thank-you" to everyone who made it possible for us to bring you this book of memories. To the students, faculty and administration we give a special thanks for without your cooperation this book would not be possible to produce. Your patience with our photographers, your information for our articles, and your believing in us enough to purchase an annual made you all special to us. A thank you is also extended to all our patrons and advertisers, without whom we would not be able to finance this project. We hope you enjoy this yearbook and that as time passes it will play an important part in your memories.

Many of the things that happened in 1983-84 dealt with invasions and war. The U.S. Marines were in Beirut working as peace-keepers and the U.S. embassy there was bombed by terrorists, leaving many wounded and killed. The Marines were pulled out of Beirut in February by President Reagan. Grenada was also in the news as U.S. Marines occupied the island in early December. A South Korean 747 airliner was shot down by Soviets, leaving no survivors and

269 dead. Menachem Begin resigned in Israel. Lech Wałęsa of Poland won the Nobel Peace Prize, missiles were deployed in Europe, Russia broke off talks, and anti-nuclear movements in Europe caused a nuclear freeze drive in the U.S. Soviet leader Yuri Andropov died in February after only fifteen months in office.

Rock groups such as The Police and Duran-Duran played for sold-out concerts in Madison and Milwaukee during February. As for music, Michael Jackson's "Thriller" topped the charts and songs such as "Safari Dance", "Photograph", and "Metal Health" will long be remembered. MTV (music television) grew in popularity as videos became a household word.

Box office favorites for the year included such movies as "Christine", "The Dead Zone", "Risky Business", "Terms of Endearment", and the summer hit "Return of the Jedi". The cost of these movies for a student could be anywhere from \$2.50 to \$3.50 a ticket. Television brought favorites like "The A Team", "Cheers", "Hill Street Blues", and "Dynasty".

Inflation went down in the U.S. during this year, and prices remained fairly stable. A McDonald's "Big Mac" usually cost about \$1.30 with a hamburger costing about \$.49. A pack of bubble gum cost about \$.30, and soda from a machine cost about \$.50. A pair of "I've been everywhere from \$17 to \$20 and a pair of Nike tennis shoes sold from \$35 to \$40. A gallon of gas sold for about \$1.10.

A variety of styles were present at HHS. Fads included the Bethesda style, featuring long coats, army pants, and thin ties. Preppy fashions were also visible with upturned collars and colorful bandanas. "Argyles" were popular, including socks, sweaters, and vests. Checkered tennis shoes appeared, and also new wave, "Flashdance", and punk fashions.

Horicon High School saw many new additions and changes during this year. Homecoming was held on Friday night following the football game, and the pep rally was held during the school day. The HHS Student Council hosted a leadership workshop including the Flyway Conference schools. Three new computers were added to the Business Machines room for use by computer and accounting classes.

"Drug and Alcohol Awareness Week" was held in January featuring many speakers and informative presentations. Soup and salad bars, hamburger and hotdog lines, as well as A a Cart specials were added to the hot lunch program. The first "Video Dance" was held at HHS in February. The HHS Forensics Team won its second consecutive Flyway Conference forensics championship.

Quality never goes out of style

At John Deere Horicon Works we take pride in building quality products. That's the philosophy behind each piece of equipment we build. And that code of quality is your assurance of getting the best lawn and leisure equipment money can buy.

Before any John Deere product goes into production, prototype machines are subjected to months of stress testing. Each model

is rigorously tested for performance, safety, comfort and durability. It's tested again and again until we're satisfied it will live up to the demands of our customers.

So before you put down your hard-earned money for a lawn tractor, riding mower, lawn and garden tractor, tillage implement, or snowmobile, be sure you visit the John Deere dealer nearest you.

An End . . . A Beginning . . .

With the passing of the camera, another year begins. New photographers, new film, and new ideas signify the passing of time.

For the seniors, the reminders captured here will be the memory of HHS. For the underclassmen, the camera now turns to focus on memories and times to come.
